Email – <u>followYah@gmail.com</u> Website – www.thewayofthemosthigh.ca This is Qodush l'#Y#>--, meaning "Set-apart unto YaHUAH." This is the "qodush" or worship which we render to the Most High, because He is Qodush. Here is the Qodush, based on the ancient picture letters and their original sounds. First column has the ancient text. Second column has English transliteration with English translation in brackets. Third column has a literal English translation, attempting to keep the original word order while maintaining easy English reading.

Repeat twice.
