To All Readers,

We pray that you have a moment to sit and read, because this blog is very important. It shouldn't take very long to read through. We have taken these measures to go beyond what other websites are doing. We give you the nitty gritty of our sightings and findings regarding calendar issues from moon cycle (month) to moon cycle. And we update our articles on all manner of subjects from week to week.

## THE SLEEPING CONDITION OF THIS PRESENT WORLD

As talked about in our book, *The Path of the Most High*, the spiritual condition of our present world is not a positive one. Alish'bai and I have truly been disturbed by what we see around us in recent days. There are many scholars and teachers that give people like Alish'bai and I, and websites similar to ours, a bad name. Not only that, but they give Scriptural believers as a whole a bad name. They bring the Name of the Almighty to ruin... something which is directly commanded not to do, in the third commandment of the famous "10 commandments."

Are we trying to wake people up out of a spiritual slumber? Yes. Jews, Christians, Messianics, Sikhs, Catholics, Muslims, Hindus, other people of other religions and atheists. We have run the gamut speaking with leaders and laity from each of these religious groups. Indeed, as we talk to the multitudes, we see a deep sleep that has overtaken them. You can tell them that they are under a Roman calendar to which they do not know the origins of. You can tell Jews that they need to stop with modern "Judaism" and go back to Scriptural understanding, living and worship. You can tell Christians and Messianics that there are problems with the "New Testament" and the so-called "Anointed Son," and that they need to come to the Almighty and His Turah (Scripture), but the majority will not listen. Jews, Christians, Messianics, and the multitudes believe that Scripture is an outdated or cultural book. Most believe that Christianity or Messianic Judaism was a natural progression from the Turah (Scripture). Others believe that the rabbis have it all figured out, and that the Oral Torah was given to M'shih (Moses) on Hayr Seen'ee (Mount Sinai). The reality of what Scripture says and teaches is a hard word for these groups and peoples to hear. And it was hard for us to hear. Our prayer is that others will come to the realization of things we have endeavored to reveal on this website.

There are people who have been awakened from their sleep, only to be overcome by greater delusions than they had before. We see a "Messianic Jewish" religion emerging with great numbers of deceptions. They do not pay attention to websites like ours which reveal the faults of the "New Testament" and it's "Messiah." Administrators of the majority of these "Hebraic" websites continue to mix truth with falsehood by going back to the Turah (Scripture) but still using the "New Testament" and only adding a "Hebrew" flavouring to it. Below is a short sampling:

Michael Rood and others wear ancient Scriptural clothing (which is a great truth), but can't rightly interpret Scripture on a host of issues.

Moshe Koniuchowsky, "Rabbi" to "YATI" (Your Arms to Israel ministry), made his own Scriptures (Restoration Scriptures: True Name Edition), inserting the Name of

the Father and different Hebrew words wherever he feels like it, but not staying true to the original text, and adding in his own false commentary.

Lew White, another at the forefront who has revealed a lot of truth regarding paganism can not see that the "New Testament" itself is a compilation of pagan fossilized myths and distortion of Turah (Scripture) quotations. He has also rejected the true Scriptural teachings regarding the ancient Scriptural calendar, and has made a music cd of instrumental Beatles music. He never quotes his sources and the ones that I have traced are usually not in their original context or historically accurate.

The "Black Hebrews" movement is also an abomination, which in the height of its arrogance boasts that all true descendants of Y'shr'Al (Israel) are black, and that all whites and other races will become servants or slaves to them in the coming millennial age. They also assert that whites are the result of the "mark of" Qoyin (Cain) or "leprosy." These people, like numerous others, claim to be Y'shr'Al (Israel), but provide no proof based on the lineage of their fathers. Again, if they love the Most High and follow His Turah (Scripture), then let them be satisfied that they are "followers of YaH" or "Yahudim" (those who worship YaH).

Then there are the self-proclaimed "Son of God" and "prophet" types of people and their cults. "Yahweh ben Yahweh" dressed like us in Scriptural robes and turban, but falsely proclaimed himself as the Almighty. Using his former "Nation of Islam" tactics (to which he belonged), he managed to convince a lot of people that he is the Almighty, while he died recently of prostate cancer in prison for involvement in murderous crimes!

Michael Traversser (formerly Wayne Bent) had a cult of about 50 people (mostly ladies of course) believing that he is the "Son of God," while he caused unimaginable damage to the families of their fledgling community.

Alish'bai and I stand at a distance, looking at all the sleeping multitudes, which refuse to be honest with the Scriptures, the Almighty, with history and archaeology, and with those that they have deceived. They proclaim to have the truth but don't stick to the original script of Scripture or rightly interpret it. We humbly ask you to consider the evidence of our own website and work. First and foremost we must be sure that we are worshipping properly. So we ask you to consider our articles on Trinitarian issues or New Testament issues. We must understand and worship YaH alone. Secondly we ask you to consider the streams of teaching that you are drinking from, especially when it comes to the Turah (Law) and Aibreit (Hebrw). If you have questions or concerns about any website or teaching that you have been receiving ... feel free to ask us to review it and get back to you on it. And as always we state that we are in a constant process of growth. We invite questions and reconsiderations.

We are sad to relate the problems mentioned in this blog. We see that most have made no real revolutionary return to the ancient Scriptural truth contained in the Turah (Law) alone, worshipping the Most High **אֱלֹהֵינוּ** (YaHUAH) alone. We are sad to see Christianity in it's "under grace alone" and "lawless" state of slumber. We are sad to see so great a people deceived by atheism and numerous world religions that have not submitted to the truth of Scripture. We are sad to see those who believe in the Turah (Scripture) but have compromised it through false teachings of "rabbis," modernization and compromise with heathen cultures. But we must face reality; this is the spiritual condition our world is in. All we ask of you, our readers, is that you spread the word,

wake people up in the Name of the Most High, and provide feedback. The more we get, the more we will remain in tune with Scripture, to proclaim Scriptural truth and meet the needs of visitors to our website.

YaH khey (YaH lives),  
Sha'ul and Alish'bai
